### About the Workshop:

In this workshop participants will gain knowledge about the significance of market survey once a new product is launched from a pharmaceutical company. Students also have information about various software used in this surveys and how to report the adverse events, once identified.

### About the organizing Institute

The NRI College of Pharmacy, Pothavarappadu, Krishna District was established in 2007 under the patronage of Sri DurgaMalleswari Educational society, Vijayawada, to provide quality technical education and to promote research and development activities in Pharmacy. The institution is built in a calm and serene atmosphere, surrounded by lush greenery and is well connected by college bus as well as public transportation. Ideally located on sprawling 20 acre Mango groves, on Vijayawada – Nuziveedu State Highway, the campus is about 23 KM away from Vijayawada and 22 KM away from Gannavaram Airport.

NRI College of Pharmacy offers Graduate and Post Graduate programmes in Pharmaceutics, Pharmaceutical Analysis, Quality Assurance.

All departments are well equipped with the state-of-the-art equipment, sophisticated laboratories, computer centers, with the most contemporary facilities backed by advanced equipment and software.

### About the seminar:

The seminar helps in developing entrepreneurial skills among students through various training platforms and to guide and assist prospective entrepreneurs on various aspects such as preparing project reports, obtaining project approvals, loans and facilities from agencies of support systems and information on various technologies. This seminar also provides a platform for interaction with entrepreneurs from the field of pharmacy and thereby motivating them to develop their own startups.

### About the organizing Institute

The NRI College of Pharmacy, Pothavarappadu, Krishna District was established in 2007 under the patronage of Sri DurgaMalleswari Educational society, Vijayawada, to provide quality technical education and to promote research and development activities in Pharmacy. The institution is built in a calm and serene atmosphere, surrounded by lush greenery and is well connected by college buses as well as public transportation. Ideally located on sprawling 20 acre Mango groves, on Vijayawada – Nuziveedu State Highway, the campus is about 23 KM away from Vijayawada and 22 KM away from Gannavaram Airport.

NRI College of Pharmacy offers Graduate and Post Graduate programmes in Pharmaceutics, Pharmaceutical Analysis, Quality Assurance.

All departments are well equipped with the state-of-the-art equipment, sophisticated laboratories, computer centers, with the most contemporary facilities backed by advanced equipment and software.

## SPEAKER

**Dr. RLC Sashidhar M.Pharm, Ph.D**  
Assoc. Professor,  
**CHIPS**  
Chaudavaram, Guntur

## Organized by :

Intellectual Property Rights Committee  
**NRI COLLEGE OF PHARMACY**

Approved by AICTE, New Delhi,  
Affiliated to JNTU Kakinada.  
Agiripalli, Vijayawada, India - 521212

### About the seminar:

In the seminar students gained knowledge about the patent rights and copyrights in our country. Students also understood the difference between patent rights and copy rights and how they will be useful in pharmacy field.

### About the organizing Institute

The NRI College of Pharmacy, Pothavarappadu, Krishna District was established in 2007 under the patronage of Sri Durga Malleswari Educational society, Vijayawada, to provide quality technical education and to promote research and development activities in Pharmacy. The institution is built in a calm and serene atmosphere, surrounded by lush greenery and is well connected by college buses as well as public transportation. Ideally located on sprawling 20 acre Mango groves, on Vijayawada – Nuziveedu State Highway, the campus is about 23 KM away from Vijayawada and 22 KM away from Gannavaram Airport.

NRI College of Pharmacy offers Graduate and Post Graduate programmes in Pharmaceutics, Pharmaceutical Analysis, Quality Assurance.

All departments are well equipped with the state-of-the-art equipment, sophisticated laboratories, computer centers, with the most contemporary facilities backed by advanced equipment and software.

Entrepreneur Development Committee  
**NRI COLLEGE OF PHARMACY**

Approved by AICTE, New Delhi,  
Affiliated to JNTU Kakinada.

Agiripalli, Vijayawada, India - 521212

### About the seminar:

Students should be able to understand the different pathways possible to improve their entrepreneur skills and also be able to face and analyse the challenges and should be able to take risks. Students should be able to understand the possibilities of small scale industries in pharmacy field.

### About the organizing Institute

The NRI College of Pharmacy, Pothavarappadu, Krishna District was established in 2007 under the patronage of Sri DurgaMalleSwari Educational society, Vijayawada, to provide quality technical education and to promote research and development activities in Pharmacy. The institution is built in a calm and serene atmosphere, surrounded by lush greenery and is well connected by college buses as well as public transportation. Ideally located on sprawling 20 acre Mango groves, on Vijayawada - Nuziveedu State Highway, the campus is about 23 KM away from Vijayawada and 22 KM away from Gannavaram Airport.

NRI College of Pharmacy offers Graduate and Post Graduate programmes in Pharmaceutics, Pharmaceutical Analysis, Quality Assurance.

All departments are well equipped with the state-of-the-art equipment, sophisticated laboratories, computer centers, with the most contemporary facilities backed by advanced equipment and software.

### “CTD – A GLOBAL PERSPECTIVE”

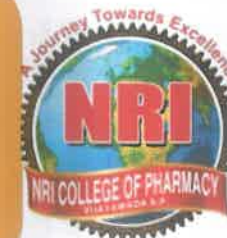

15, OCTOBER - 2019

Agiripalli, Nunna, Krishna District, India

[www.nricp.edu.in](http://www.nricp.edu.in)

## SPEAKER

**Dr. T.E.G.K. MURTHY M.Pharm., Ph.D**  
**Principal, Baptla College of Pharmacy**  
**Baptla.**

## Organized by :

Research and Development Committee

**NRI COLLEGE OF PHARMACY**

Approved by AICTE, New Delhi,  
Affiliated to JNTU Kakinada.

Agiripalli, Vijayawada, India - 521212

### About the Workshop:

This workshop improves the knowledge of students about common technical documentation and regulations that are required to understand to file a document in a particular country. Students will be gaining knowledge about different modules in CTD.

### About the organizing Institute

The NRI College of Pharmacy, Pothavarappadu, Krishna District was established in 2007 under the patronage of Sri DurgaMalleswari Educational society, Vijayawada, to provide quality technical education and to promote research and development activities in Pharmacy. The institution is built in a calm and serene atmosphere, surrounded by lush greenery and is well connected by college buses as well as public transportation. Ideally located on sprawling 20 acre Mango groves, on Vijayawada – Nuziveedu State Highway, the campus is about 23 KM away from Vijayawada and 22 KM away from Gannavaram Airport.

NRI College of Pharmacy offers Graduate and Post Graduate programmes in Pharmaceutics, Pharmaceutical Analysis, Quality Assurance.

All departments are well equipped with the state-of-the-art equipment, sophisticated laboratories, computer centers, with the most contemporary facilities backed by advanced equipment and software.

SEMINAR ON

**"CTD – A GLOBAL PERSPECTIVE"**

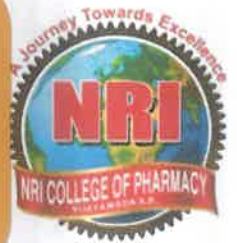

28, JUNE - 2018

Agiripalli, Nunna, Krishna District, India

[www.nricp.edu.in](http://www.nricp.edu.in)

**SPEAKER**

**Dr. A. L. T. Kalyani M.Pharm., Ph.D**  
**Dept. of Pharmaceutics**  
**Srinivasa College of Pharmacy,**  
**P. M Palem, Visakhapatnam**

**Organized by :**

**Research and Development Committee**  
**NRI COLLEGE OF PHARMACY**

Approved by AICTE, New Delhi,  
Affiliated to JNTU Kakinada.

Agiripalli, Visakhapatnam, India - 521212

### About the Seminar:

CTD is Common Technical Document developed as a tripartite agreement between three countries US, Japan and EU to minimize the extensive documentation required in filing New Drug Applications in different countries. Students will gain knowledge about the documentation part and different modules of the document.

### About the organizing Institute

The NRI College of Pharmacy, Pothavarappadu, Krishna District was established in 2007 under the patronage of Sri Durga Malleswari Educational society, Vijayawada, to provide quality technical education and to promote research and development activities in Pharmacy. The institution is built in a calm and serene atmosphere, surrounded by lush greenery and is well connected by college buses as well as public transportation. Ideally located on sprawling 200 acres of Mango groves, on Vijayawada – Nuziveedu State Highway, the campus is about 23 KM away from Vijayawada and 22 KM away from Gannavaram Airport.

NRI College of Pharmacy offers Graduate and Post Graduate programmes in Pharmaceutics, Pharmaceutical Analysis, Quality Assurance.

All departments are well equipped with the state-of-the-art equipment, sophisticated laboratories, computer centers, with the most contemporary facilities backed by advanced equipment and software.

#### About the Seminar:

The seminar is beneficial to the students of B. Pharmacy in understanding what is research work and in what order the work need to be planned and executed so that research is done in an orderly manner to achieve the best possible work.

#### About the organizing Institute

The NRI College of Pharmacy, Pothavarappadu, Krishna District was established in 2007 under the patronage of Sri Durga Malleswari Educational society, Vijayawada, to provide quality technical education and to promote research and development activities in Pharmacy. The institution is built in a calm and serene atmosphere, surrounded by lush greenery and is well connected by college buses as well as public transportation. Ideally located on sprawling 20 acre Mango groves, on Vijayawada – Nuziveedu State Highway, the campus is about 23 KM away from Vijayawada and 22 KM away from Gannavaram Airport.

NRI College of Pharmacy offers Graduate and Post Graduate programmes in Pharmaceutics, Pharmaceutical Analysis, Quality Assurance.

All departments are well equipped with the state-of-the-art equipment, sophisticated laboratories, computer centers, with the most contemporary facilities backed by advanced equipment and software.
