7.1.4 Describe the institutional efforts in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and sensitization of students and employees to the constitutional obligations, values, rights, duties and responsibilities.

An inclusive environment with equality in culture, regional, linguistic, communal, socio-economical and other diversities in NRIP is always warm and welcoming with strong support and awareing about ones rights. The NRIP is proactively taking efforts in providing an inclusive environment and the initiatives are to promote better education, economic upliftment of the needy and to set communal harmony. Our curriculum with inclusion of topics related to human rights, promotion of social values, awareness on environmental protection and ethics that help to develop a better society with tolerance and harmony of various diversities are negatively affecting the integrity of society. Our institution has always been at the forefront of sensitizing students to the cultural, regional, linguistic, communal and socio-economic diversities of both state and nation through positive interactionamong students of different communities in various events of institution..

As India, is a nation with a policy of unity in diversity, to understand the integrity of our nation and to celebrate Republic Day and Independence Day with great grandeur.

Telugu day: To establish linguistics harmony, our institution celebrates ‘Telugu Day’ to create awareness on importance of protecting our Mother tongue and to explain the beauty of different languages through the ages of nation and to understand the contrast of different languages to English.

World Pharmacy Week and International Pharmacist Day: Pharmacist day celebrated with great joy to understand the integrity of pharmacy profession and to inculcate the ethics and responsibilities of a professional pharmacist. Pharmacist oath will be taken on that day with an objective to promote awareness of Pharmacist contributions to Global Health and to inspire people all around the world to recognise the value they contribute to society

Constitution day: Every year ‘Constitution Day’ is organised by our institution to spread awareness on rights of people and responsibilities of every citizens in construction of healthier society and a event on voter awareness and voter enrolment program is also conducted to create awareness on need of transparent voting for growth of nation. Our institution thrives

enthusiastically by the above programs which show great impact on establishment of inclusive environment in the institution.

Youth day: National Youth Day is celebrated on 12th January in NRIP institution with an objective of creating awareness on responsibilities of youth in building healthier society and importance of women in society.

Teachers Day: Celebrated every year on the 5th of september,which also marks the birth anniversary of Dr Sarvepalli Radhakrishnan,who was an Indian Philosopher and the second President of India.
