REPORT on "Building Up A Professional Brand – Resume Writing"

The NRI COLLEGE OF PHARMACY has conducted a program on "Building Up A Professional Brand – Resume Writing" to 3rd year students. This program enlightens the students to build up their resume for their future aspects in the market to show up their updated information from school to end of their professional course.

The Welcome speech was delivered by Principal Sir (Y.A.Chowdary) about the importance of the resume writing and these speech was continued with the Speaker & Department Heads.

The Resume Writing plays a key role in the selection of the candidate to the employer in the organization. Employer loots at resume for an average of only six or seven seconds & these seconds are curial for candidate in the interview so, Candidate has to prepare attractive resume for the market. Resume has to be clear, concise & tailored to the job for which your applying & tips to prepare resume have given been given and contents of resume has shared.

So, Overall Sessions found to be useful for the student to prepare their resume.

This program was organized by Nri College Of Pharmacy to teach students about Digital communications –Telehealth Platforms. This program initiates the Fast, Effective role based communication to improve patient care.

The welcome speech was delivered by Y.A. Chowdary sir about effective method of treating patients with Tele-Platform and time management leads to better output to the Healthcare care systems which includes following such as,

- ✓ **Save time:** Reduce the time care teams spend coordinating care internally and externally through real-time access to accurate data.
- ✓ **Decrease patient length of stay:** Improve clinical workflows and throughput by enhancing communication in areas that facilitate admission, transfer, and discharge with all care teams using one unified communication platform.
- ✓ **Improve patient outcomes:** Mobilize code teams faster, armed with real-time patient data, to start collaboration at the initial point of activation, expediting critical care delivery.

So, the overall program was successful and students found it very useful for the development in the perspective and development of their career in upcoming sessions.

Theme of "Montreal Protocol: Fixing the Ozone Layer and Reducing Climate Change Program was conducted on in our college to raise global awareness to take positive environment action to protect nature and the planet earth.

The Key Points were briefly explained by Principal sir and addressed the meeting with the important factors. This theme, implores us to get outdoors and into nature, to appreciate its beauty and its importance, and to take forward the call to protect the earth that we share. Human well-being is closely linked to the health of the environment. The impact of environmental factors shows 24% of death according to the WHO i.e., people require clean air to breath, fresh water to drink & place to live that are toxic free environment. So, Ozone layer protection is our individual responsibility to conserve natural resource and protect global ecosystem.

This Program went successfully, end speech was delivered by Departmental Heads on this Topic.
